ABOUT THE EVENT

The **4th Edition of India Bioenergy & Tech Expo: An International Conference & Exhibition on Bioenergy and Technology (IBET Expo 2027) is scheduled to be held from 1-3 September, 2027,** at India Expo Centre & Mart, Greater Noida, Uttar Pradesh. With the remarkable success of previous editions, Government of Uttar Pradesh has partnered with IFGE & MM Activ to organise the 3rd IBET Expo 2026 in Uttar Pradesh. This edition is jointly organised by Indian Federation of Green Energy (IFGE) and MM Activ Sci Tech Communications, and Government of Uttar Pradesh the Host State and UPNEDA as the Co-Organiser. The IBET Expo 2027 will feature an exhibition and international conference on bioenergy focussing on the theme **"Exploring Bioenergy Pathways to Achieve Net Zero".** The event will cover key sectors like **Compressed Biogas (CBG), Ethanol, Bio-Diesel, Waste to Energy, Bio-Mobility, Biomass (Pellets and Briquettes), Sustainable Aviation Fuel (SAF), Green Hydrogen, CCUS, and Biomaterials.**

The expo will showcase the latest technologies, machinery, equipment, innovations, products, and services, providing a platform for industry stakeholders to connect, collaborate, and explore business opportunities. This event supports India's goal of achieving Net Zero by 2070.

Why Participate

- Receive important business leads / contacts who are interested in your products and services.
- Gain latest knowledge insights through exclusive Workshops, Conferences and Presentations.
- Find new customers and develop business alliance and partnerships
- Unique platform to launch new products / exhibits
- Showcase your cutting-edge technologies, latest machineries and products and services through exhibits, demonstrations and presentations
- Networking with industry leaders, decision makers, Govt. Officials, researchers to increase your business partnerships

INTERNATIONAL PARTICIPATION Previous editions of IBET Expo witnessed participation of many overseas companies from Europe, USA, South East Asia, Middle East etc. The overseas participation is expected to grow with many more overseas companies taking part in this edition.

STATE PARTICIPATION Previous editions of IBET Expo witnessed participation from the State Governments, including Uttar Pradesh, Assam, and Maharashtra, which showcased their bioenergy policies, initiatives, and investment opportunities. The Expo facilitated knowledge exchange, industry collaboration, and partnerships to accelerate bioenergy sector growth across India.

Remarks of Dignitaries at Previous Editions of IBET Expo

Dr. Pramod Chaudhari
President, IFGE & Founder Chairman, Praj Industries

"India Bioenergy and Tech Expo is a platform which unities innovators, strengthens India's renewable energy mission, and drives the initiative for a sustainable, self-reliant energy future. I believe the participants will be beneficed from this initiative and upcoming editions also."

Mr. Dinesh P Singh
Business Head - Fertilizer, Reliance Industries Limited

"IFGE has provided a wonderful platform for all of us to collaborate and grow. Green energy and the CBG sector offer sustainable solutions to India's environmental and agricultural challenges. The India Bioenergy & Tech Expo (IBET Expo) further strengthens this ecosystem by bringing together industry stakeholders, promoting innovation, partnerships and new business opportunities in the bioenergy sector."

Dr. SSV Ramakumar
CTO and EVP, AM Green

"India Bioenergy & Tech Expo has truly set the bar high. Its well-curated technical programme, inclusive roundtables and discussions on emerging themes such as CBG and CCUS make it one of the finest platforms for the bioenergy sector, bringing together industry leaders, policymakers and technology experts to drive innovation and collaboration."

Mr. Firoj Khan
Head Regulatory and Corporate Affairs, Hero MotoCorp

"India Bioenergy & Tech Expo is truly a fantastic initiative by IFGE, bringing together stakeholders from across the biofuel and bioenergy sector on a common platform to foster collaboration, innovation and new opportunities. A heartfelt thank you to all our valued partners for their continued support in making this initiative a success and strengthening India's bioenergy ecosystem."

Ms. Heli Antila
CEO Campolis Oy Finland

"India Bioenergy and Tech Expo witnessed insightful discussions and thought-provoking presentations from diverse perspectives, strongly reaffirming that Sustainable Aviation Fuel (SAF) will play a pivotal role in the future of aviation. The Expo serves as an important platform to bring together technology players and industry stakeholders to accelerate India's transition towards a sustainable and low-carbon energy future."

Mr. Nitin Gupta
Executive Director, STEER World

"India Bioenergy and Tech Expo seems to be a truly a well-organised and successful event! Deeply appreciate the dedication and commendable efforts of the entire organising team. It is a significant platform driving opportunity of collaboration and growth in India's bioenergy sector, paving the way for a sustainable energy future."

International Conference on Bioenergy & Technologies

Focus Areas

- Compressed Biogas (CBG)
- Biomass (Pellets & Briquettes)
- Bio Mobility
- Ethanol
- Sustainable Aviation Fuel (SAF)
- Biodiesel
- Green Hydrogen
- Shipping and Marine Biofuels
- Advanced Biomaterials (Biochar, Bio-Bitumen etc.)
- Carbon Capture, Utilisation and Storage
- Carbon Credits in Bioenergy Sector
- Financing, Incentives, & Subsidies

Exhibitor & Visitors Profile

Biofuel: Energy Companies : • CBG Producers • Ethanol Producers and Distillers • Biomass Pellets and Briquettes Processors and Suppliers • Biofuel Processors • Waste to Energy Companies • Bio-Mobility

Raw Material Suppliers: • Feedstock Suppliers/Aggregators • Industrial Enzyme / Biotechnology • Microorganism Companies • Sugar Cane/Grain Suppliers • Biomass Plantation Companies • Farmers

Equipment, Machinery, EPC & Technology: • Digester Companies • Machinery and Equipment of Pellets and Briquettes • Pipeline Manufacturers and Distributors • Manufacturers and Distributors of Industrial Valves • Power Generation Equipment Manufacturers • EPC Contractors • Processing Plants for Used Cooking Oil • Agricultural Equipment (Harvesters, Tractors, Bailers, etc.) Manufactures • Boiler Manufacturers • Project Management and Consultants • Technology Providers • Research and Development Companies • Investors, Bankers, Financial Institutions and Insurance Bodies
