Host State & Co-organizer

INDIA BIO ENERGY & TECH EXPO

August 11-13, 2026

India Expo Center and Mart, Greater Noida,
N.C.R.

**3rd International Conference & Exhibition
on Bioenergy and Technologies**

.....Theme.....

**Advancing Bioenergy Solutions
for a Low Carbon World**

Opportunities

Interaction with Policy Makers

Lead Generation

Showcase the products, services and technology

Meeting with Prospective Clients

Networking

Possibilities of Joint Ventures

Why Participate

Receive important business leads / contacts who are interested in your products and services.

Gain latest knowledge insights through exclusive Workshops, Conferences and Presentations.

Find new customers and develop business alliance and partnerships

Unique platform to launch new products / exhibits

Showcase your cutting-edge technologies, latest machineries and products and services through exhibits, demonstrations and presentations

Networking with industry leaders, decision makers, Govt. Officials, researchers to increase your business partnerships

Remarks of Dignitaries at IBET Expo 2025

Shri Nitin Gadkari

Hon'ble Minister of Road Transport and Highways, Government of India
Patron, IFGE

India Bioenergy and Tech Expo 2025 reflects a strong, futuristic vision for the bioenergy sector. I appreciate the efforts for bringing the entire ecosystem under one roof. I am sure the collaboration, innovation, and research will inspire India's society and industry toward a sustainable bioenergy-driven future.

Shri Hardeep Singh Puri

Hon'ble Minister of Petroleum and Natural Gas, Government of India

India Bioenergy and Tech Expo 2025 showcases the India's bioenergy progress—from pioneering ethanol innovations to nationwide advances in CBG, SAF, and advanced biofuels. With global collaboration and strong government support, it highlights a sustainable, future-ready bioenergy ecosystem.

Shri Pralhad Joshi

Hon'ble Minister of New and Renewable Energy & Consumer Affairs, Food and Public Distribution, Government of India

India Bioenergy and Tech Expo 2025 reflects the inclusive growth while showcasing India's rising clean-energy momentum. With strong farmer-industry participation, Phase-II of the National Bioenergy Program will expand budgets, strengthen R&D, and boost indigenous manufacturing.

Dr. Pramod Chaudhari

President, IFGE & Founder Chairman, Praj Industries

India Bioenergy and Tech Expo 2025 is a platform which unites innovators, strengthens India's renewable energy mission, and drives the initiative for a sustainable, self-reliant energy future. I believe the participants will be benefited from this initiative and upcoming editions also.

Focus Area:

- Compressed Biogas (CBG) • Biomass (Pellets & Briquettes)
- Ethanol • Sustainable Aviation Fuel (SAF) • Carbon Capture, Utilization and Storage • Bio Mobility • Biodiesel • Green Hydrogen • Advanced Biomaterials • Financing, Incentives, and Subsidies.

Exhibitors Profile

Biofuel / Energy Companies

- CBG Producers
- Ethanol Producers and Distillers
- Biomass Pellets and Briquettes Processors and Suppliers
- Biofuel processors
- Waste to Energy Companies • Bio-Mobility

Raw Material Suppliers

- Feedstock Suppliers/Aggregators
- Industrial Enzyme / Biotechnology/Microorganism Companies
- Sugar Cane/Grain Suppliers • Biomass Plantation Companies
- Farmers

Equipment, Machinery, EPC & Technology

- Digester Companies • Machinery and Equipment of Pellets and Briquettes • Pipeline Manufacturers and Distributors
- Manufacturers and Distributors of Industrial Valves
- Power Generation Equipment Manufacturers
- EPC Contractors • Processing Plants for Used Cooking Oil
- Agricultural Equipment (Harvesters, Tractors, Balers etc.) Manufacturers • Boiler Manufacturers • Project Management and Consultants • Technology Providers
- Research and Development Companies
- Investors, Bankers, Financial Institutions and Insurance Bodies
